AFTERCARE

Dear Parents

It has come to our attention that there may be a need for an aftercare facility, not only for children at our school but also for the community in general. Mrs Gisella Hendricks, a parent and a qualified teacher with an honours degree in education, has kindly offered to run an aftercare facility should this come about.

Aftercare will be offered from a Monday to Thursday from 12pm to 4pm. There will be a nominal cost per student and parents will be able to pay at a daily, monthly, termly or yearly rate. We are researching other aftercares in the region and will communicate the amount in due course.

Aftercare for Foundation Phase children involves highly supervised, structured play and assistance with school work. In essence it is an extension of their school day. For Intermediate and Senior Phase children it will offer a quiet place to do school work, read and study, with some support from the teacher. A drink and snack will be given each day.

At this stage we are trying to gauge interest, so if you are interested in making use of this facility then please fill out the reply slip below and return it to Mrs Harris by

Monday 25th January.

Sincerely,

Mr G Dry – Headmaster

I _____ (print name) am interested in sending my child to aftercare at Greyton House.
